How To Enter Bungendore Pony Club ODE Online

- Go to www.globalentriesonline.com.au
- Click on “Equestrian Eventing”
- You need to register each rider separately (login name and password) – unfortunately if you have more than one rider in your family then you will have to repeat this process for each child and keep their login details and password for future use; however, once this has been done once the system will remember your details for the next time
- You will be asked to enter details for at least one horse – don’t worry about all the questions you are asked here, all you need to provide is the name of the horse and the address where it is kept, if different from your home address (and you can add horses at a later date if necessary)
- Click on “Events Calendar” on the top tool bar. You can now navigate your way to find our event in the calendar, click on event details, and register for the event. Again, you only need to fill in details marked with an asterix (*).
- If you are entering 3 or more children, the family entry fee of \$70 applies. You will be charged \$30 for each rider, but you will then need to select a discount for the third rider (\$20), and a separate discount for 4th or subsequent riders.
- If you have elected to pay by cheque or money order don’t forget to send it to BPC Treasurer, PO Box 119, Bungendore, NSW 2621 before the closing date, with name of rider, club and contact phone number written on the back.
- You can go back and edit your details (or scratch) at any time up until the closing date.
- If the event has to be cancelled your credit card will be refunded, or cheques will be destroyed
