NEW TO MARKET

GIRTH-EZE™ GIRTH TIGHTENER

"The simple smooth solution to tighten the girth!"

Why choose **GIRTH-EZE™**?

- ▶ Tightens the girth in seconds and folds flat for storage.
- ▶ Smoother tightening, eliminates jerking.
- ▶ Great for horses that "blow out".
- ▶ Get the required tension before mounting.
- ▶ Suits most English style saddle points.
- ▶ Easily used by both children and adults.
- ▶ Proudly designed and manufactured in Australia.

INSPIRATION

After developing arthritis in my hand I found it increasingly difficult to tighten my girth sufficiently for mounting. I am not flexible enough to do up my girth from the saddle, so my daughter suggested purchasing a girth tightener after having seen them in Europe. After months of research I discovered nothing suitable in Australia for English style saddles. A friend and I came up with the idea of manufacturing them for the Australian market.

Ferrero Rocher (imp)

Behind Ferrero Rocher's "chocolate box" looks, is a brilliantly bred stallion with a performance record to match! From winning the 5yo class at DWTS with a score of 9.5 for rideability, to winning the PSG Cup at the same competition only four years later.

His breeding reflects the modernization of Warmblood breeding with the cross of Florestan, Weltmeyer and Pik Bube. This exact cross has also produced the dual World Young Horse Champion, Florencio. The "F" line of Ferrero Rocher is known as one of the most rideable and trainable lines of modern sporthorse breeding. This is combined with the well proven "W" line of his State Premium dam.

Ferrero Rocher's eldest progeny are now 4yo and are proving time and time again to have inherited their sire's magical temperament and trainability along with flashy paces and good looks! Ferrero Rocher progeny can be found in the stables of many FEI riders such as Brett Parbery, Glennys Barrey, Mathew Dowsely, Amelia Kristan, Nick Fyffe and Kate Wilson to name a few!
